

Important Message to Members of Financial Trust:

Our top priority at Financial Trust is the health and safety of our members, employees and communities. We are enacting all recommended measures as precautions to minimize any exposure to risk.

What measures is Financial Trust taking to prevent and prepare for COVID-19?

All branches have hand sanitizer available for member use. Employees who are feeling ill are told to stay home, and all employees are reminded to regularly wash hands and clean surfaces.

We understand the concern and uncertainty created by the current situation of COVID-19 around the globe.

Financial Trust Federal Credit Union has a Business Continuity Plan and does not anticipate any issues in continuing to provide account holders with our high-quality level of service. We are committed to keeping you informed through a variety of channels, including Facebook, and our website.

Lastly, we ask our members to take advantage of our services and technology such as:

Debit Card: Debit cardholders have access to 55,000 surcharge-free ATMs with locations including Rite Aid, Wegmans, Target and CVS. Download the Allpoint ATM locator app. Allpoint link supplied on our website.

Mobile Banking: The same features as online banking, plus, mobile check deposit (see below). Download our banking app from the Apple Store or Google Play.

Online Banking: Access your account anytime, anywhere. With online banking you can review account balances & histories and transfer funds to and from your accounts.

Call 716-831-3007 to obtain your username and password for online banking.

Remote Deposit: Snap a photo of your check with your smartphone and send it safely and securely into your account. Remote Mobile check deposit must be activated on the Credit Union's end; **request mobile check deposit by emailing the Credit Union at Service@FTcu.net.**
