

Statements Disclosure Opt-In/Opt-Out Form

Financial Trust FCU is in the process of implementing a safer, more convenient and “greener” way to receive your statements. Effective **June 1, 2016**, we will switch to eStatements making your statement available online through our online banking system.

Having your statement disclosed to you via online banking, reduces not only the amount of paper but postage and printing costs as well. This savings can then be passed on to you, our members. Of course you can continue to receive a paper statement. There will be a \$3.00 charge per month per mailed statement.

If you wish to be enrolled in eStatements and you change your e-mail address or move, it is imperative that you contact the credit union immediately to update your e-mail address.

Please fill out the following information to either opt-in or opt-out of eStatement enrollment:

I wish for FTFCU to send me my monthly/quarterly statement via online banking (free of charge).

I wish for FTFCU to send me my monthly/quarterly statement via mail (\$3.00 charge per month).
